Presents a Pre-Conference Education Event

SUICIDE BEREAVEMENT CLINICIAN TRAINING PROGRAM

Developed in Collaboration with:

The American Association of Suicidology & The American Foundation for Suicide Prevention

John R. Jordan, Ph.D.- Instructor

YMCA Geneva Park, Orillia

Thursday October 12, 2017

10:00 AM – 5:00 PM

This full day evidence-based workshop is designed specifically for mental health professionals who provide grief therapy for suicide loss survivors. It will provide a focused overview of the impact of suicide on survivors, and the clinical and support responses that are needed after a suicide occurs. The workshop will include didactic presentation, group discussion, case examples from the presenter's practice, and video clips from grief therapy sessions.

Dr. John R. (Jack) Jordan is a licensed psychologist in private practice in Pawtucket, RI, U.S.A., where he specializes in working with loss and bereavement. He has specialized in work with survivors of suicide and other losses for more than 35 years. Jack has provided training nationally and internationally for therapists, healthcare professionals, and clergy through the American Foundation for Suicide Prevention, and as an independent speaker. He has also helped to organize and lead dozens of healing workshops for suicide survivors. Jack has published over 50 clinical and research articles, chapters, and full books in the areas of bereavement after suicide, support group models, the integration of research and practice in thanatology, and loss in family and larger social systems.
