## **SUICIDE BEREAVEMENT CLINICIAN TRAINING PROGRAM**

Developed in Collaboration with:

*The American Association of Suicidology & The American Foundation for Suicide Prevention*

John R. Jordan, Ph.D.- Instructor

YMCA Geneva Park, Orillia

Thursday October 12, 2017

10:00 AM – 5:00 PM

This full day evidence-based workshop is designed specifically for mental health professionals who provide grief therapy for suicide loss survivors. It will provide a focused overview of the impact of suicide on survivors, and the clinical and support responses that are needed after a suicide occurs. The workshop will include didactic presentation, group discussion, case examples from the presenter's practice, and video clips from grief therapy sessions.

**Dr. John R. (Jack) Jordan**, a licensed psychologist in Pawtucket, RI, U.S.A has specialized in work with survivors of suicide and other losses for more than 35 years. Jack has provided training nationally and internationally for therapists, healthcare professionals, and clergy through the American Foundation for Suicide Prevention, and as an independent speaker. He has also helped to organize and lead dozens of healing workshops for suicide survivors.
