

BON 2021 Sponsorship

Bereavement Ontario Network is having it's 31st annual Bereavement Conference over 3 weeks in October virtually!

We will be using an amazing new service- EventMobi (a Canadian company with great tech support), which provides our sponsors a variety of opportunities to share their organizations, be highlighted during our events online, and much, much more.

We anticipate great excitement as we promote this conference. Here is a listing of the benefits each sponsorship level can have.
