

CALL FOR WORKSHOP PRESENTATIONS

Bereavement Ontario Network's 32nd Annual Conference will be **VIRTUAL** in October 2022

This Year's Theme: ***When Will It Ever End? When Grief Changes who We are...and How We Grieve***

The BON conference committee is seeking submissions from professionals and academics in the field of bereavement, grief support and end-of-life care.

October 12-29th, 2022 (2-3 half days per week for 3 weeks)

Submissions will be received until April 1 2022. If you have a great presentation designed to share knowledge, practical applications and expertise, please submit your proposal to the chair of the conference committee by email: info@bereavementontarionetwork.ca

Our aim is to provide conference participants with a schedule of informative, interesting sessions on topics that will help them deepen their understanding and strengthen their skills in providing excellent care. As our theme is focused on the realities of caring for grievors and those who care for them, especially in these challenging times where grief feels very prolonged.

If you have a topic that is grief-focused- please submit it!

Please include the following information in your submission:

- Presentation Title
- Focus area (end of life, grief) and intended audience (new practitioners, families, experienced practitioners, therapists)
- Presentation Description (up to 250 words)
- 3 Learning Outcomes to be met
- Presenter contact Information (address/phone/email)
- BON membership status
- Presenter Biography (up to 200 words) including professional credentials, certifications (if applicable)

**All potential presenters need to be comfortable presenting on Zoom and have adequate microphone/camera access to be able to present their topic successfully. If you have questions about this, please reach out to info@bereavementontarionetwork.ca and ask that your question be forwarded on.

Please submit to BON head office by **April 1, 2022** (even if you have already connected with BON about a potential submission)

Presentation Length is 1 hr and 15 minutes including questions from participants.

Review of the submissions will be completed in April and contact will be made with presenters by May 1, 2022

Successful presenters will be provided available dates/times on a first come/first response basis.
