

Conference Planning

Conference Interest Group How can you help?

Thanks to the feedback and engagement of our members, our annual conference has adapted and is now being run as a year-round plan. To keep this conference and these learning opportunities available, we continue to need our members to submit presentation abstracts, as well as share with us ideas for third party presentations outside of our organization. We want to know whose presentations have moved you in your learning, leadership, and advocacy.

Please reach out to Lori at lori.ives-baine@sickkids.ca and cc Brenda at info@bereavementontarionetwork.ca with your ideas and thoughts – just a few moments of your time can help us inspire many.
